EDUCATION

K.L.N.College Of Engineering, Sivagangai — *B.Tech*

2022 - PRESENT

CGPA Score(8.64)

Velammal Matriculation.Hr.Sec.School, Madurai —HSC

June 2021- April 2022

Marks Scored in HSC (89%)

Velammal Matriculation.Hr.Sec.School, Madurai —SSLC

June 2019 - April 2020

Marks Scored in SSLC (85.2%)

PROJECTS

Equity Research Analyst Tool—*HTML, CSS, JavaScript, Python*

Developed an Equity Research Analyst Tool using HTML, CSS, JavaScript, and Python to document equity share insights of companies based on news article analysis. Currently under development.

MediConnect(Android App) — *Flutter & Dart*

Developed an Android application, *Medic-Connect*, using Dart and Flutter, designed for patient-doctor appointment management. Implemented the front-end using Flutter (Dart) and HTML, and utilized Firebase, MySQL, and PHP for the back-end.

Sign Language Recognition — *Python*

Developed a sign language recognition application using Python, capable of tracking and interpreting hand gestures in real-time. Leveraged computer vision techniques and libraries like Open-CV to enhance gesture detection.

SKILLS

C programming

Python programming

Web Development

Flutter & Dart

UI/UX Designing

ADDITIONAL
